# ESSENTIAL OIL ROLL ONS

1 oz essential oil roll ons diluted for safe, effective use  
6% organic essential oils diluted in organic jojoba oil

**Why jojoba oil?** Jojoba oil is rich in skin-healthy nutrients and is actually a wax, and structurally very close to our own skin's natural sebum, making it very readily absorbed.

**Why 6%?** 6% dilution is the expert recommended therapeutic rate for safe use of essential oils.
